

## Yearbook Update for the 2008-2009 School Year

### YEARBOOK NEWS-PLEASE READ COMPLETELY:

- The entire yearbook this year will be in full color for only \$30 per copy if purchased by the end of this school year.
- Each person having purchased their yearbook by the end of May will receive a free DVD of photos taken throughout the year, many of which will not be appearing in the yearbook. There is no extra charge for this DVD for those who purchase the yearbook and only those persons buying the yearbook will be getting the DVD supplement. You will not be able to purchase the DVD supplement separately!
- Ad space is still available for families who want to have a recognition ad for their student. The prices range from \$250 for a full page all the way down to a \$50. Business card size ad.
- Beginning this year we will have a BUSINESS DIRECTORY SECTION in our yearbook for all of those persons who have businesses or services to advertise. Those ads will cost \$35 for a 2"X2" business listing and \$50 for a full business card. You may list your BUSINESS NAME/ADDRESS/ PHONE/EMAIL AND/OR SERVICES. This will allow us all as Salesian Family Members to support our family business first before we go to someone else for goods and services.
- A FAMILY PAGE will be included in the yearbook which will have photos of the different students with their immediate and extended family members who also attend SJB. This is the first time we do a section like this.

Be sure to reserve your yearbook right away so you can get the supplement which arrives before this school year ends. The yearbooks will be delivered the 1<sup>st</sup> week of August, and only those having ordered and paid for a yearbook will be able to take their DVD school photos home with them this month. Please reserve your copy of the yearbook as soon as

possible. Also do not miss out on this opportunity to support our school and benefit your business with a business listing.

Please fill out and return to your child's homeroom teacher who will in turn submit it to the yearbook staff. You will be able to proof your business ad before the book goes to the yearbook company. Payment is due with the order. Thank you for supporting our school and for helping us to support your business. Success happens when we support and help each other.
