## Eagle Highlights

*Celebrating  
Youth...  
Building the  
Future!*

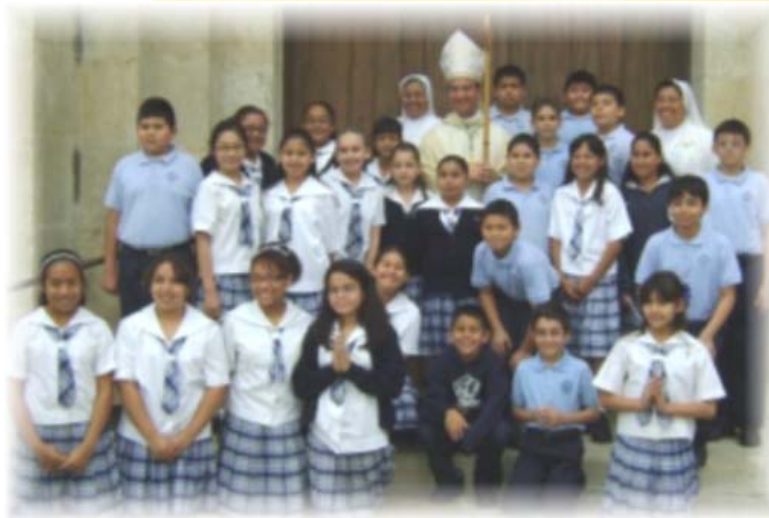

We began our Lenten journey on Ash Wednesday. Let's remem-

ber that Lent is a time to be reminded that we can do all things in Him who strengthens us!

On February 13th, the 5th grade class went to San Fernando Cathedral to celebrate the Eucharist and

pray for vocations. It is at this tender age that boys and girls are sensitive and open to God's call to follow Him as a priest, brother or sister. It won't be long before these boys are faced with life-long decisions as men and that these girls will be faced with saying their life-long yes to do God's will. The Bishop has these tender aged children close to his heart.

If you need to work your discretionary mandatory hours, please call Monica Hernandez at Eagles Landing at 431-5993. Mrs. Hernandez will be able to schedule the time slots needed for the garage sale.

The cost per space is \$10.00. If you need a table for the space, there is an additional \$10.00 fee. In case you need to rent a canopy there is a \$10.00 fee. Anyone can rent a space on that day. No prior reservations need to be made. It's a first-come-first serve basis.

***We are proud of our City Champions!***

Yes! We have another bus!  
Thanks to Trini and Cathy Perez for donating this precious vehicle for our field trips. Their three boys along with their classmates will enjoy many field trips and adventures, thanks to their Mom and Dad's generosity.

St. John Bosco School grows and offers so much to our boys and girls through their talents and sharing of their treasure.
